Setback to Septic Tank or Holding Tank	108 Feet		Setback to Well	35 Feet
Setback to Drain Field	ටුØ Feet			
Setback to Privy (Portable, Composting)	N/A Feet			
Prior to the placement or construction of a structure within ten (10)	feet of the minimum required setback	, the b	oundary line from which the setback must be measured must be visible from on	e previously surveyed corner to the

Prior to the placement or construction of a structure within ten (10) feet of the minimum required setback, the boundary line from which the setback must be measured must be visible from one previously surveyed corner to the other previously surveyed corner or marked by a licensed surveyor at the owner's expense.

Prior to the placement or construction of a structure more than ten (10) feet but less than thirty (30) feet from the minimum required setback, the boundary line from which the setback must be measured must be visible from one previously surveyed corner to the other previously surveyed corner, or verifiable by the Department by use of a corrected compass from a known corner within 500 feet of the proposed site of the structure, or must be marked by a licensed surveyor at the owner's expense.

(9) Stake or Mark Proposed Location(s) of New Construction, Septic Tank (ST), Drain field (DF), Holding Tank (HT), Privy (P), and Well (W).

NOTICE: All Land Use Permits Expire One (1) Year from the Date of Issuance if Construction or Use has not begun.

For the Construction Of New One & Two Family Dwelling: ALL Municipalities Are Required To Enforce The Uniform Dwelling Code.

The local Town, Village, City, State or Federal agencies may also require permits.

You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page or contact a department of natural resources service center (715) 685-2900.

BAYFIELD COUNTY PERMIT

WEATHERIZE AND POST THIS PERMIT ON THE PREMISES DURING CONSTUCTION

No.	22-003	86		Issue	Issued To: John & Dana Welch									
Location:	3	4	of	1/4	Section	36	Township	51	N.	Range	4	W.	Town of	Russell
Gov't Lot In V. 12 P. 3	371		Lot	4	Blo	ock	Sul	bdivisio	on	-			CSM#	2172

Residential Use in Forestry-1 zone:

For: [2-Story], Residence (30' x 23') = 690 sq. ft.; Porch (6' x 23') = 138 sq. ft.; Porch #2 (4' x 9') = 36 sq. ft.; Deck (15' x 6') = 90 sq. ft. Height of 25'

(Disclaimer): Any future expansions or development would require additional permitting.

Condition(s): Must obtain a Uniform Dwelling Code (UDC) Permit from the locally contracted UDC Inspection Agency prior to start of construction. Must be at least 75' from all lot lines. Must meet and maintain all setbacks.

NOTE: This permit expires one year from date of issuance if the authorized construction work or land use has not begun.

Changes in plans or specifications shall not be made without obtaining approval. This permit may be void or revoked if any of the application information is found to have been misrepresented, erroneous, or incomplete.

Todd Norwood, AZA

Authorized Issuing Official

March 3, 2022

This permit may be void or revoked if any performance conditions are not completed or if any prohibitory conditions are violated.
